Celebrating over 30 Years

Letter from the President

Becoming a MSC United Partner

Mike Miller, President MSC United Soccer Club

Thank you for taking the time to consider becoming a business partner of MSC United Soccer Club. Sponsorship of the soccer club tells the community that your business cares about the community at large.

This is a very exciting time for our club. The year marks the 31st anniversary for our founding organization, and we have a lot to be proud of. We have also set some lofty goals for ourselves, and our partners. By partnering with us, you will be giving local children the opportunity to participate in what is the most popular sport in the world. Again this year, as in previous years, The MSC United Soccer Club will offer all children who register, an opportunity to participate in our program.

The children of MSC United need you and so do we!!

Thanks,

Mike

What is a Business Partner?

Business Partners help our non-profit athletic organization by providing support to the youth of our community in many ways. Your financial support will allow many children to participate in a wonderful and supportive program. In addition to the direct scholarships, business partners funds ensure that our kids have a safe and healthy experience, by helping us to secure top flight lighted fields, provide safe equipment, allows us to compete in local and regional tournaments and help with the training and educational costs of our coaches.

How can you help?

We welcome all kinds of businesses as MSC United Partners. As you are already involved in our great community, we invite you to promote your business services and products to the hundreds of soccer families who live, work, and play in the East Valley! As always any amount of donation is appreciated. Thank you for supporting MSC United Soccer Club.
