

Hi Teams!

Attached you will find available spirit wear through MSC United. Please hand these out to all of your player's families so that they will have the opportunity to buy some apparel to show some spirit at games and tournaments. If you have any questions about any of the items, please feel free to contact Dawn Schwenckert. Dawn's contact information is found at the bottom of the flier showing the merchandise available.

Order forms should be handed into team managers by October 23rd. Team managers should submit all orders to Dawn by this date. Please provide individual orders as it will be separated for easier delivery. We hope to have all orders filled and delivered at the November 1st board meeting. (Embroidered merchandise might take one more week).

This is a total voluntary opportunity. Please do not make your team feel that they must participate in this program. Good luck!
